The screenshot shows the FCH Sourcing Network search interface. On the left is a search sidebar with filters for Commodity Search, Rivets, Solid Rivet, Material, Coating/Finish, Size (3/16), and Keywords. A search button and a Reset button are at the bottom of the sidebar. The main content area features a navigation bar with links like 'Join the Network', 'Services', 'How It Works', 'News', 'FAQ', 'Technical', 'Radio', and 'Login to FCH'. A prominent banner ad for 'jay-cee sales & rivet inc.' is displayed, featuring their logo and contact information: 'WE BUY SURPLUS RIVETS, RIVET NUTS, AND OTHER RELATED FASTENERS! CALL 248-478-2150'. Below the banner, search results are shown for '> 200 matches, 3/16 Solid Rivet. Showing a sample of 200'. The results are presented in two tables. The first table shows results from 'Jay-Cee Sales & Rivet' with columns for supplier, loc, type, material, finish, size, description, and qty. The second table shows results from 'Jackson' with similar columns. Red circles with numbers 1, 2, and 3 highlight key features: 1) Banner ad optional placement, 2) Custom results window with top listings, company name & website/shopping cart link, and 3) Top search results placement.
