About The FCH & Business Edge Connection

FCH Sourcing Network and Computer Insights with Business Edge software are connected!

Need a hassle free way of moving inventory and locating new business? The Business Edge interface with FCH Sourcing Network is a win/win for fasteners distributors.

- No more bookmarks or Google search! Source hard to find items from the FCH Sourcing Network from your Business Edge desk top connection.
- Uploading inventory to the FCH Network just got easier! Flag products for uploading by selecting a range of products by part number, name or product class.
- Keep your inventory counts current on the FCH Sourcing Network by selecting automatic upload updated FCH values every night.
